Can't Get You Outta My Head - Inkubus Sukkubus

Can't get you outta my head
Got a devil here inside me
I can't get you outta my head
The dead in Hell are calling me

Can't get you outta my head
As a razor tears into my flesh
I can't get you outta my head
As I'm drowning in this misery

Every night, Every day
Just to be there in your arms

La la la
La la la la la
La la la
La la la la la
La la la
La la la la la
La la la
La la la la la

Can't get you outta my head
When the soul is ripped right outta me
I can't get you outta my head
When the cloak of Death is over me

Every night, Every day
Just to be there in your arms

Can't get you outta my head
Can't get you outta my head
Can't get you outta my head
Can't get you outta my head

La la la

La la la la la
La la la
La la la la la

La la la
La la la la la
La la la
La la la la la

La la la
La la la la la
La la la
La la la la la
La la la
La la la la la
La la la
La la la la la

Can't get you outta my head
I can't get you outta my head
Can't get you outta my head
I can't get you outta my head

Can't get you out
Can't get you out
Can't get you
Can't get you outta my head
Can't get you outta my head
Can't get you outta my head
Can't get you outta my head
Can't get you outta my head
Can't get you outta my head
