They said come on in  
All you women of sin  
Come all you girls  
All you dirty girls  
Let us come and save you  
We are sisters clean and pure  
And you are filthy whores

Come to us, you Magdalenas  
Come to us, let us crush your dreams  
And take your babes  
And make you slaves  
Cleanse your sins  
With your tears  
Surrender hope  
Surrender you souls  
Come to us, you Magdalenas  
Come to us, come to us  
Come to us, you Magdalenas

You will never get out of here  
Wou will die old maids in here  
Come to us, Sisters of Mercy  
Remember you are cheap and dirty
