"Cigarette And A Coconut Monkey"

Hey yeah
Don't you end it all tonight
We've done everything just right.
so don't you end if all tonight.

Hey yeah
Don't you give up on me now
You can make it through tonight
So don't give up on me now.

We've got history to make
We've got lines to erase
We've got everything and more
We've got history to make
Don't look at the mess we've made of ourselves.

Hey yeah
She'll get back to you someday
I'll get on my knees and pray
that she'll get back to you

Hey yeah
I am missing you tonight.
We've said everything just right,
but I'm still missing you tonight.

We've got history to make
We've got lines to erase
We've got everything and more
We've got history to make
Don't look at the mess we've made of ourselves.

We've got history to make
We've got lines to erase
We've got everything and more
We've got history to make.
Just look at how great we've made ourselves.
