Are you sure you had to move,
Move that far away?
Just to be lonely
In a different state.
Well, the trouble with living
Is there's no escape
From the lessons in life
And a lonely grave.
So, how is Memphis tonight?
Are you still alone?
Is your face smiling bright?
How is Memphis tonight?
You know I've missed our talks
Since you moved away.
The dancefloor is quiet
And that's how it will stay.
Cause I really miss my friend.
We lost her in the rays.
The town is not the same.
Not the same place.
So, how is Memphis tonight?
Does the couch pull out?
Are you kissed goodnight?
How is Memphis tonight?
I don't believe that everybody's lonely underneath it all.
I can't believe that everybody's lonely underneath it all.

Highways are boundaries.
If you take them to far,
You've got alot to prove here,
But who you doing it for.
You know she's looking down
On everything you do.
Be stong, be brave
Her strength is in you.
So, how is Memphis tonight?
Have you made your mother proud?
Have you swallowed all your pride?
How is Memphis tonight?
And I don't believe that everybody's lonely
Underneath it all.
And I can't believe that everybody's lonely

Underneath it all.
I don't believe that everybody's lonely
Underneath it all.
And I can't believe that everybody's lonely
Underneath it all.
I don't believe that everybody's lonely
Underneath it all.
And I just can't believe that everybody's lonely
Underneath it all.
