Every whisper aches,
We make such good mistakes,
And how I wanted you,
How I wanted you,
How I wanted you,
How I wanted you,

How's it better to have lost?
But I'd rather not,
Replace demand with cost,
And how I wanted you,
How I wanted you,

It's still the same,
(Don't look away)
It's still the same,
(Don't look away)
It's still the same,
(Don't look away)
It's still the same,
(Please don't look away)
It's still the same,
(Don't look away)
It's still the same,
(Don't look away)
It's still the same,

(Don't look away)
(Please don't look away)
It's still the same,
(Don't look away)
The same,
(Please don't look away)
It's still the same,
(Don't look away)
(Please Don't look away)
It's still the same,
(Don't look away)
It's still the same,
(Please don't look away)
It's still the same,
(Don't look away)
(Please don't look away)

It's still the same,
It's Still the same,
