Shot down

You knew that I was lonely  
By the shiver in my voice  
It seems like everybody's hoping  
But we never make the right choice

Oh, and we hold on  
And we're not afraid, we run to the sun  
I just wanted to know who you are

It never ends, my best friends  
I just wanted to see you  
It feels like you've given up on me

I can see it in your eyes  
It seems like everybody's coping  
But we never make a stand

Oh, and we hold on  
And we're not afraid, we run to the sun  
I just wanted to know who you are  
It never ends, my best friends

I just wanted to see you  
It feels like you've given up  
It feels like you've given up, oh

Oh, with my foot in my mouth  
I don't remember what I said  
Best day of my life, I don't remember

Something tells me you're not so innocent?  
Oh, and we hold on  
And we're not afraid, we run to the sun

I just wanted to know who you are  
It never ends, my best friends  
I just wanted to see you it feels like you've given up

With my foot in my mouth  
I don't remember what I said

Best day of my life I don't remember

And my foot in my mouth

I don't remember what I said

Best day of my life I don't remember

I don't remember, oh
