You could outrage the silent sea,  
I want to be, I need to be  
something more like you,  
Loneliness it confronts me,  
I want to be, I need to be  
something more like you,

Secrets crack  
silently  
when you fall,

Secrets crack  
silently  
when you fall,

Poison my knife  
we could be here all day X3  
Poison my knife  
we could..

If I fly I'll escape this nest,  
I want to be, I need to be  
something more like you,  
And I don't need to be like the rest,  
I want to be, I need to be  
something more like you,

Secrets crack  
silently  
when you fall,

Secrets crack  
silently  
when you fall,

Poison my knife  
we could be here all day X3  
Poison my knife  
we could

I want to be, I need to be

I want to be, I need to be  
I want to be, I need to be  
I want to be, I need to be

Poison my knife  
we could be here all day X7  
Poison my knife  
we could..
