Should have killed me right then
Even now, i would never trade places
Why can't everyone live
In a room full of helium balloons

It's easily, the hardest thing
I've done

Try these on for size
In three days and six weeks i'll be alright
Or i'll tear them out
Kiss me now, kiss me now

Too bad we could've been
A great pair
You be flesh i'll be concrete
And we'll bruise as we mate
But please smile, as you'll bleed on your way home

It's easily, the hardest thing
I've done

Try these on for size
In three days and six weeks i'll be alright
Or i'll tear them out
Kiss me now, kiss me now

Try these on for size
In three days and six weeks i'll be alright
Or i'll tear them out
Kiss me now, kiss me now
Kiss me now, kiss me now

It's easily, the hardest thing
I've done
It's easily, the hardest thing
I've done

You'll be concrete i'll be flesh
And we'll smile as we mate

Try these on for size
Kiss me now, kiss me now
