Take away your sorrows  
Bringing back my pain  
If you say you need me  
Then I'll take all the blame

This is all I've ever been  
Cold and alone, Lava Twilight  
This is all I've ever been  
Cold and alone, Lava Twilight

Lava Twilight, fairy of ice  
Greedy spirit, nothing is right  
Lava Twilight, fairy of ice  
Greedy spirit, nothing is

Break away your shadows,  
Show your face to me,  
I lose the rush around my veins,  
As you leave my life

This is all I've ever been  
Cold and alone, Lava Twilight  
This is all I've ever been  
Cold and alone, Lava Twilight

Lava Twilight, fairy of ice  
Greedy spirit, nothing is right  
Lava Twilight, fairy of ice  
Greedy spirit, nothing is right!

This is all I've ever been  
Cold and alone, Lava Twilight  
This is all I've ever been  
Cold and alone, Lava Twilight

Lava Twilight, fairy of ice  
Greedy spirit, nothing is right  
Lava Twilight, fairy of ice  
Greedy spirit, nothing is right!
