Is love a wondrous mystery  
Or is it just a cruel joke  
Full of painful history  
Did I burn it all to smoke

Love reveals it's depths  
When the ship is going down  
My heart is parched and starved  
For a cut I did not feel  
And this will never heal

Sorrow confides in joy  
But I'm listening still  
To the cries of a helpless boy  
The boy becomes a man

A man who can stand on his own two feet  
He has a heart  
That burns  
But a heart that wont melt

Yeahhhh

Oh oh ohhhh

Sleeping in the light  
Awake in the darkest night  
Please don't worry darling  
I'm not going anywhere  
But when you cast me away  
I will not try to fight the waves

A song I'll never sing  
This song it cries in vein  
She thinks I'll never change

Sorrow confides in joy  
But I'm listening still  
To the cries of a helpless boy  
The boy becomes a man

A man who can stand on his own two feet

He has a heart that burns  
But a heart that wont melt  
And I hope you felt every word  
I know where I am now
