Yellow space, Black stars,  
all i wanna do is see my friends and i wanna be close to  
her and i felt it too, Yeah I felt it too  
Step back to a couple years ago when everything was  
different and things were more simple

Do I look the same... to you?  
Shut up  
You play the same games as always,  
we all look for something new,  
We fucked up,  
And now we're screaming in circles,  
Just tell all your friends

i'm drunk on her, put another day forward thinking this  
brew is white.  
And I can't hold on to her,  
I know that she was mine,  
Step back and focus on the scenery the ceiling is closer  
than you think

Do I look the same... to you?  
Shut up  
You play the same games as always,  
we all look for something new,  
We fucked up,  
And now we're screaming in circles,  
Just tell all your friends

I'm drunk,  
I'm drunk,  
I'm drugged,  
I'm drunk,

and I'm drugged,  
I'm drunk,  
and I'm drugged,  
I'm drunk

remember the timing,  
the whole way i saw you  
together i crawled to the kitchen,

was waiting for her  
and you said that you never  
looked back but you never looked happy,  
pretending just makes me scream!

Shut up  
You play the same games as always,  
we still look for something new,  
We fucked up,  
And now we're screaming in circles,  
Just tell all your friends  
I'm drunk,  
I'm drugged,  
I'm drunk,
