I don't wanna know your name,
Now I do want your private number baby,

All I know is that to me
You look like your lots of fun
Open up your lovin arms
Yeah, wots up, wots up

I set my sights on you,
(and no-one else will do)
And I I I I have got to have my way now baby,

All I know is that to me
You look like your lots of fun
Open up your lovin arms
Watch out here I come

You spin me right round baby right round
Like a record baby
Right round, round, round
You spin me right round baby right round
Like a record baby
Right round, round, round

I don't wanna be your friend now baby
But I, I wanna move it just a little bit closer

All I know is that to me
You look like your lots of fun
Open up your lovin arms
Watch out here I come

You spin me right round baby right round
Like a record baby
Right round, round, round
You spin me right round baby right round
Like a record baby
Right round, round, round

All I know is that to me
You look like your lots of fun

Open up your lovin arms
Watch out here I come

You spin me right round baby right round
Like a record baby
Right round, round, round
You spin me right round baby right round
Like a record baby
Right round, round, round
