Screaming at the top of my lungs
I'm dangerous tonight
Don't you tell me that I'm wrong,
I'm anxious for a fight
screaming at the top of my lungs
I'm dangerous tonight,
Don't you tell me that I'm wrong
I'm dangerous

This is getting heavy,
Go ahead and call up all your boys
'Cause this one's for the valley, tonight we go down
I'll cripple your pride kid, that's what you get for
running your mouth
I'm sick of it you're average you don't know my style

Remember we run this town
You can't hold me back
You can't hold me down
I'll tear you up
It's in my blood

Screaming at the top of my lungs
I'm dangerous tonight
Don't you tell me that I'm wrong,
I'm anxious for a fight
Screaming at the top of my lungs
I'm dangerous tonight,
I'm dangerous tonight

We run things round here
We run things round here
We definitely run things round here
We run things round here
We run things round here
We run things round here

1982 born took the throne in 89
See I was made for the headlights,
daddy raised us kings
You can run
But we've got the whole neighborhood locked down

Two wrongs make it even
You can mark my words

Remember we run this town
You cant hold me back
You cant hold me down
I'll tear you up
It's in my blood

Screaming at the top of my lungs
I'm dangerous tonight
Don't you tell me that I'm wrong
I'm anxious for a fight
Screaming at the top of my lungs
I'm dangerous tonight
I'm dangerous tonight

This is getting heavy
Call your boys, call your boys
Tonight this goes down
Call your boys, call your boys
We run things round here
Call your boys, call your boys

Screaming at the top of my lungs
I'm dangerous tonight
Don't you tell me that I'm wrong
I'm anxious for a fight
Screaming at the top of my lungs
I'm dangerous tonight
I'm dangerous tonight

Screaming at the top of my lungs
I'm dangerous tonight
Don't you tell me that I'm wrong
I'm anxious for a fight
Screaming at the top of my lungs
I'm dangerous tonight
I'm dangerous tonight
