She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like: oh, oh oh, oh oh, oh
She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like: oh, oh oh, oh oh, oh

You can be my daddy
I feel ecstatic
Don't worry we can
Make love automatic

Come feel my body
I think you're naughty
Only with you I feel
The party get started

I think I like yo
I think I like yo
I think I like yo
I think I like...

She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like: oh, oh oh, oh oh, oh
She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like: oh, oh oh, oh oh, oh
She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like: oh, oh oh, oh oh, oh
She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like: la, la, la, la

Who's the club rocker?
Are you the club rocker?
Are you the club rocker?

You can be my daddy
I feel ecstatic

Don't worry we can
Make love automatic

Come feel my body
I think you're naughty
Only with you I feel

The party get started

I think I like yo
I think I like yo
I think I like yo
I think I like...

She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like: oh, oh oh, oh oh, oh
She's moving like...
She's moving like: oh, oh oh, oh oh, oh
She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like...
She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like: la, la, la, la

Are you the club rocker?
That's the way that I feel
Everyday, everyday
That's the way that I feel
Every night, every night

She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like: oh, oh oh, oh oh, oh
She's moving like...
She's moving like: oh, oh oh, oh oh, oh
She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like...
She's moving like: oh, oh oh, oh oh, oh, oh oh
She's moving like...
