Everybody fall in love and then falls down  
And I'm feeling so high, I'm feeling so high  
For you...  
Everybody fall in love and then falls down  
And I'm feeling so high, I'm feeling for you  
Boy I'm feeling for you

Don't let the music die  
Don't have to feel alone  
You have to learn to say  
Will be OK tomorrow

Don't let the music die  
Don't have to feel alone  
I got love and many reasons to love  
Reasons to love

Every step that I take brings you closer  
In my dream, in my dream, in my dream

Every step that I take brings you closer  
In my dream, in my dream, in my dream

Every step that I take brings you closer  
In my dream, in my dream, in my dream  
Every step that I take brings you closer  
In my dream, in my dream, in my dream

Don't let the music die  
Don't have to feel alone  
You have to learn to say  
Will be OK tomorrow

Don't let the music die  
Don't have to feel alone  
I got love and many reasons to love  
Reasons to love
