Good morning! How you feel?
You're so beautiful, I wake up in your dream
I'm tryin living for today in this lonely life
Walking down your dream again
Searching for the lite and hopping that's some more
You will be my star, shining like a crystal
Baby were so far, it's only when I dream
When I dream, everything is possible

You're not alone!
You're not alone!
You have me!
Believe me!

Refren:
Who do you love?(who do you love)

Who do you feel?(who do you feel)
Who says your beautifull
Livin' in your dream

Who do you love?(who do you love)
Who do you feel?(who do you feel)
Who says your beautifull
Livin' in your dream!
Baby I'm yours
Baby I'm yours
I love you most
I love you most
