Lately I've been thinking about what I can do
I've been stressing to fall back in love with you
I'm so sorry that I couldn't follow through
But I can't go on this way. I've gotta stop it babe
You've been wonderful in all that you can be
But it hurts when you say that you understand me
So believe me. I, I am sorry, I, I am sorry, I, I

I wanted you to be there when I fall
I wanted you to see me through it all
I wanted you to be the one I loved
I wanted you, I wanted you
I wanted you to hold me in my sleep
I wanted you to show me what I need
I wanted you to know just how down deep
I wanted you, I wanted you

I've been pushing hard to open up the door
Trying to take us back to where we were before
But I'm done. I just can't do this anymore
'Cuz we can't be mended, so let's stop pretending now
We've been walking around in circles for some time
And I think we should head for the finish line
So believe me. I, I am sorry, I, I am sorry, I, I

I wanted you to be there when I fall
I wanted you to see me through it all
I wanted you to be the one I loved
I wanted you, I wanted you
I wanted you to hold me in my sleep
I wanted you to show me what I need
I wanted you to know just how down deep
I wanted you, I wanted you

I, I.. I'm so sorry baby
But I, I.. I gotta pack up and leave
But I, I'll always remember how we came close
..to being how I wanted to be
I wanted you baby
I wanted you

I wanted you to be there when I fall

I wanted you to see me through it all
I wanted you to be the one I loved
I wanted you, I wanted you
I wanted you to hold me in my sleep
I wanted you to show me what I need
I wanted you to know just how down deep
I wanted you, I wanted you
