All the girls out hear me now
Listen up I call you ladies
You don't have to trust a man
That is driving a Mercedes

You don't know boy how hard I try
Being just here not with you baby
Someday you should tell me why
Why you do this to me baby?

You don't love me now
You just hurt me now
It's over, it's over
I'm not looking back
I'm not going back
It's over, it's over ã,â... x2

You don't love me now ã,â...

You don't love me now
You just hurt me now
It's over, it's over
I'm not looking back
I'm not going back
It's over, it's over ã,â... x2
