Be my lover

Wanna be my lover

I think I'm ready for you
You take me higher,
get me to cloud 9
Going to the light
Yeah you can see what
you want
It doesn't matter cause
we shine tonight

I won't let you go
So baby give me more

Don't let me dancing on
my own
Yeah you can fool me on
And I can make your
body flow
Cause you, you and I
will run the show
In this moment you're
all I want

... until the end of time
Cause we are written in
the sky
Get close to my lips
Lock you up in my kiss
Tell me you will be mine

tonight
You will be mine tonight

Be my lover
Be my lover

Now let me ... to you
You've got my heart
beating like a truck
So your help is done
Yeah you can take all
you want

Do what you like
Cause I'm all yours
tonight
Love my potty ride
So baby give me more
Don't let me dancing on
my own
Yeah you can fool me on
And I can make your
body flow
Cause you, you and I
will run the show
In this moment you're
all I want

... until the end of time
Cause we are written in
the sky
Get close to my lips
Lock you up in my kiss
Tell me you will be mine
tonight
You will be mine tonight

Be my lover
Be my lover
Be my lover

Caught in a moment
It's just you and me
Where have you been all
my life
Come be my lover and
take me away

Touch me and turn up
my heart
Get close to my lips

Lock you up in my kiss
Tell me you will be mine
tonight
You will be mine tonight

Be my lover
Be my lover
Be my lover
Be my lover
Be my lover
