Hey, what is your name  
What are you doin'?  
Settin' down when is a Saturday night

Hey, who do you think that you were fooling  
Look around you, everybody is all night

Uuuuuu, we come to this, alright  
Everyday, all day, all night  
Uuuuuu, welcome to the spotlight  
Every boy, every girl, all night

We like to party, dance with somebody like you  
We like to party, get super naughty with you

(We like to, we like to, we like to)

We like to dance, we like to party  
We like to drink and kiss somebody  
We like to dance, we like to party  
We like to drink and kiss somebody

Say, Iâ'll make a move, why don't you follow?  
Come on over, let me see what you got

Yeah, we go tonight until tomorrow  
Someone come and make me ready all night

Uuuuuu, we come to this, alright  
Everyday, all day, all night

Uuuuuu, welcome to the spotlight  
Every boy, every girl, all night

We Like to party, dance with somebody like you  
We like to party, get super naughty with you

(We like to, we like to, we like to)

We like to dance, we like to party  
We like to drink and kiss somebody

We like to dance, we like to party  
We like to drink and kiss somebody

Iâ€™ll be there when youâ€™re looking up for me  
Iâ€™ll be there in the spotlight  
Iâ€™ll be there when youâ€™re looking up for me  
But I wanna be there all night  
Iâ€™ll be there when youâ€™re looking up for me  
Iâ€™ll be there in the spotlight  
Iâ€™ll be there when youâ€™re looking up for me  
But I wanna be there all night

We Like to party, dance with somebody like you  
We like to party, get super naughty with you

(We like to, we like to, we like to)

We like to dance, we like to party  
We like to drink and kiss somebody  
We like to dance, we like to party  
We like to drink and kiss somebody

We Like to party, dance with somebody like you  
We like to party, get super naughty with you

(We like to, we like to, we like to)

We like to dance, we like to party  
We like to drink and kiss somebody  
We like to dance, we like to party  
We like to drink and kiss somebody

Hey!
