Sweat (A La La La La Long)

Inner Circle

I've been watching you

(A la la la la long, a la la la la long long li long long long)

C'mon!

(A la la la la long, a la la la la long long li long long long)

Hey!

Standing across the room

I saw you smile

Said I want to talk to you

For a little while

But before I make my move

My emotions start running wild

My tongue gets tied

And that's no lie

Looking in your eyes

Looking in you big brown eyes

Ooh yeah

And I've got this to say to you

Hey!

Girl I want to make you sweat

Sweat till you can't sweat no more

And if you cry out

I'm gonna push it some, more, more

Girl I want to make you sweat

Sweat till you can't sweat no more

And if you cry out

I'm gonna push it

Push it, push it some more

(A la la la la long, a la la la la long long li long long
long)

C'mon!

(A la la la la long, a la la la la long long li long long
long)

So I said to myself

"Does she love me or not?"

But the dreads done know

That love is his to get

With a little bit of this

And a little bit of that

My lyric goes on the attack

My tongue gets tied

And that's no lie

Looking in your eyes

Looking in your big brown eyes

Ooh girl

And I've got this to say to you

Hey!

Girl I want to make you sweat

Sweat till you can't sweat no more

And if you cry out

I'm gonna push it some more, more more

Girl I want to make you sweat

Sweat till you can't sweat no more

And if you cry out

I'm gonna push it

Push it, push it some more

(A la la la la long, a la la la la long long li long long long)

Ooh yeah!

(A la la la la long, a la la la la long long li long long long)

One more time!

(A la la la la long, a la la la la long long li long long long)

Sing it!

(A la la la la long, a la la la la long long li long long long)

Hey!

Woo woo woo woo wee yeah

(Eyes)

Looking in your big brown eyes

And I've got this to say to you

Hey!

Girl I want to make you sweat

Sweat till you can't sweat no more

And if you cry out

I'm gonna push it some more

Girl I want to make you sweat

Sweat till you can't sweat no more

And if you cry out

I'm gonna push it

Push it, push it some more

(A la la la la long, a la la la la long long li long long long)

Yeah!

(A la la la la long, a la la la la long long li long long long)

Push it, push it some more

(A la la la la long, a la la la la long long li long long long)

Alright!

(A la la la la long, a la la la la long long li long long long)

Push it, push it some more
