I've been watching you!

A La La La La Long
A La La La La Long Long
Li Long Long Long.
Come On!
A La La La La Long
A La La La La Long Long
Li Long Long Long.

Standing across the room I saw you smile.
Said I want to talk to you for a little while.
But before I make my move my emotions start
Running wild.
My tongue gets tied and that's no lie.

Looking in your eyes
I'm looking in your big
Brown eyes.
Ooh yeah
And I've got this to say to you:
Girl
I want to make you sweat
Sweat 'til you
Can't sweat no more.
And if you cry out
I'm gonna push it some more.
Girl
I want to make you sweat
Sweat 'til you
Can't sweat no more.
And if you cry out
I'm gonna push it
Push it

Push it some more.
A La La La La Long
A La La La La Long Long
Li Long Long Long.
Come on!
A La La La La Long

A La La La Long Long
Li Long Long Long.

So I say to myself if she loves me or not

But the drag I know that love is his to get:
With a little bit of this and a little bit of that

The loser goes on the attack.
But don't get tied and that's no lie:

Looking in your eyes...

Eyes
I'm looking in your big brown eyes...

A La La La Long...
Push it
Push it some more!
A La La La Long...
All right!
A La La La Long...
Push it
Push it some more!
