Dreadlocks flying through the air!
And all I ve got is love to share.
Do you really love me yeah?
Do you really love me yeah?

I m a Reggae Rocker, do you love me?
Six feets tall, straight from over the all, do you love
me?
I play the music that I love, do you love me?
For pressure stands from up above, do you love me?

He s the Rocker, she s the Rocker
Rock it to my melody
I m rocking, you re rocking
To my Reggae melody!

Dreadlocks flying through the air, do you love me?
All I ve got is love to share, do you love me?
No matter what the people say
I keep on Jammin everyday! Do you love me?

He s the Rocker, she s the Rocker
Rock it to my melody
I m rocking, you re rocking
To my Reggae melody!

He s the Rocker, she s the Rocker
Rock it to my melody
I m rocking, you re rocking
To my Reggae melody, keep on Jammin everyday!
