Do you know what I'm talking about  
when I say that there ain't nobody

there ain't nobody who can love me like you love me.  
I tried hard to let you go  
I tried to say good-bye

but every time I tried I just cried.

I could choose to lose you  
but you bring out the best in me

hey  
just let me tell you that -  
no matter what I could do  
lovin' you only makes me see that -  
no one in the world  
no one in the world could make me feel

no one in the world could make me feel so real love.

Ain't nobody  
ain't nobody better  
baby

ain't nobody better  
baby.  
Ain't nobody  
ain't nobody better  
baby

ain't nobody better  
baby.  
Ain't nobody  
ain't nobody better  
baby

ain't nobody better  
baby.

I tried hard to let you go  
I tried hard to say good-bye

but as hard as I tried  
saying good-bye just made me cry.

Ain't nobody  
ain't nobody better  
baby

ain't nobody better  
baby.  
Ain't nobody  
ain't nobody better  
baby

ain't nobody better  
baby.  
Ain't nobody  
ain't nobody better  
baby

ain't nobody better  
baby.

Because there's no mystery

I know all about you that you know about me

I've looked everywhere  
but there's nothing there

there ain't nobody !

Ain't nobody  
ain't nobody better  
baby

ain't nobody better  
baby.  
Ain't nobody  
ain't nobody better  
baby

ain't nobody better  
baby.

Because there's no mystery

I know all about you that you know about me

I've looked everywhere  
but there's nothing there

there ain't nobody !

Ain't nobody  
ain't nobody better  
baby

ain't nobody better  
baby.  
Ain't nobody  
ain't nobody better  
baby

ain't nobody better  
baby.
