Yo Duke, you're dead wrong; tou'll never have the skills
like mine

I write the ill type rhymes now I'm reaching my prime
360 dunk in your face

You can't compete, you're just a basket case

Let's separate the men from the boys

And put your money where your mouth is, no time for
toys

Your game is weak you geek so don't sleep

Cause I'll be checkin ya, wreckin ya, when I start to
creep

through the backdoor - I know I caught you out there

You got no clout here, and I doubt there

is anyway that you can stop the beat down

You better play the background, and sit back down

Chumps like you, I gotta keep 'em in line

So prepare to suffer boy, cause now you're mine

I'll fake you left and go right, straight down the lane

Here's one in your eye; you'll feel pain

You strain - to put together some strategy

But you're raggedy, and i'll be glad to see

The frown on your grill when I drill and thrill

Set up my offense, commence to kill

I'll be leadin from beginnin to end

And after I pound ya, you're gonna wanna make
friends

And make amends for the silly, trash you were talking

Take a walk and your shots I'm swattin

with ease, and the ladies are swoonin

Clockin my swiftness, while you're droolin

You oughtta practice up and get your game refined

I've been waitin to dog you, and now you're mine

Hurry up sucker, go ahead and pick your squad
Try to play hard.. but I'ma rob
you of your crazy notions to defeat me
You're weak see, I'm rough hardcore
And even be down to give you a rematch
After I wax and tax that butt
When I slam the alley-oop, you can rally troops
But I'll play the awesome defense
I'll pick your pocket, and send you to the bench
With tears in your eyes as you realize the prize is for
me
Yes all the money
Son, my form is too nice, my handle's precise
I'll take you right or go left
Because my game's so def, and now you're mine
