[Guru]

That makes me know that, we we we we're doin
We had the right idea in the beginning
And and we just need to maintain our focus, and
elevate
We what we do we update our formulas
We have certain formulas but we update em (oh right)
with the times, and everything y'know
And and so.. y'know
The rhyme style is elevated
The style of beats is elevated
but it's still Guru and Premier
And it's always a message involved

"The real... hip-hop"

"MCing, and DJing.. from your own mind, ya know?"

"I, I guess right now we should start the show"

[Guru]

Who's the suspicious character strapped with the
sounds profound
Similar to rounds spit by Derringers
You're in the Terrordome like my man Chuck D said
It's time to dethrone you clones, and all you
knuckleheads
Cause MC's have used up extended warranties
While real MC's and DJ's are a minority
But right about now, I use my authority
Cause I'm like the Wizard and you look lost like Dorothy
The horror be when I return for my real people
Words that split wigs hittin like some double Desert
Eagles
Sportin caps pulled low, and baggy slacks
Subtractin all the rappers who lack, over Premier's
tracks
Severe facts have brought this rap game to near
collapse
So as I have in the past, I whup ass
Droppin lyrics that be hotter than sex and candlewax
And one-dimensional MC's can't handle that
While the world's revolvin, on it's axis

I come with mad love and plus the illest warlike tactics
The wilderness is filled with this; so many people
searching for false lift, I'm here with the skills you've
missed

The rejected stone is now the cornerstone
Sort of like the master builder when I make my way
home

You know my steez...

"You know my steez" --> Method Man

"Let em know, do your thing y'all" "Keep it live"

"To the beat y'all" --> Flavor Flav

The beat is sinister, Primo makes you relax
I'm like the minister, when I be lacin the wax
I be bringin salvation through the way that I rap
And you know, and I know, I'm nice like that
Work through worldly problems, I got the healing power
When the mic's within my reach, I'm feelin more power
Stealing at least three minutes of every rap radio hour
It's often easier for one, to give advice

Than it is for a person to run one's own life
That's why I can't be caught up in all the hype
I keep my soul tight and let these lines takes flight
The apparatus gets blessed, and suckers get put to
rest

No more of the unpure I got the cure for this mess
The wackness is spreadin like the plague
MC's lucked up and got paid but still can't make the
fuckin grade

How many times are wannabe's gonna lie?
Yo they must wanna fry, they can't touch the
knowledge I personify

I travel through the darkness carrying my torch
The illest soldier, when I'm holding down the fort
("You know my steez" --> Method Man)

You know my steez...

"Let em know, do your thing y'all" "Keep it live"

"You know my steez" --> Method Man

repeat 4X with very last line modified as follows

"The mic..."

On the microphone you know that I'm one of the best
yet

Some punks, ain't paid all of their debts yet
Tryin to be fly, ridin high on the jet-set
With juvenile rhymes makin fake-ass death threats
Big deal, like En Vogue, here's something you can feel
Styles more tangible, and image more real
For some time now, I've held the scrolls and

manuscripts

When it's time to go all out you be like, "Damn he flipped"

Now I'm sick, fed up with the bullshit

Got the lyrical full clip, giving you a verbal asswhip

Don't trip it's the gifted prolific one

Known as Bald Head Slick -- why is the press all on my di-dick?

My style be wilder, than a kamikaze pilot

Don't try it, I'm about to start more than a friggin riot

Styles unsurpassable, and nuccas that's suckas, yo

Them motherfuckers are harrassable

For I be speaking from my parables and carry you beyond

The mic's either a magic wand

Or it gets tragic like the havoc of a nuclear bomb

Then I grab your palm, no pulse you're gone

And if you thought we'd lose our niche in this rap shit you way wrong

I stay up, I stay on, shine bright, like neon

Your song's, pathetic, synthetic, like Rayon

Fat beats, they play on, want dope rhymes, put me on

Word is bond... you know my steez
