Carrus ignis  
Vatis magnificus visus  
Cum eo, frater,  
Ascendi ad caelum  
Vacuus a labore  
Tanto peregrinari

Carrus ignis,  
Nos expectamus  
Horam reditus tui  
Cum Gloria

Quotannis  
In die Resurrectionis,  
Florentia commemorat  
In curru ignis  
Cum Gloria

Florentia adorata,  
Civitas libertatis atque scientiae,  
Intra moenia  
Fers in gremio sapientiam.  
Intra moenia  
Custodis sicut mater  
Pomum sapientiae

Cum Gloria
