Fuck you, fuck all your shit
Fuck this, finish with it
It's over, Back to tha primitive.

It's been while, since I been alive
But no matter wat, I will survive
Used to be about peace and love
Carry it on for my God above.

All this shit changed cuz of you
Killed my faith, in God that is true
I've decided to go back to tha tribe
Fuck death I'll live my life.

ALL YOUR BULLSHIT DOES NOT REMAIN, ALL YOU ENVY
GAVE ME THIS PAIN, it's OVER AND MY SONG REMAINS
INSANE!
