Refuel this darkened cage with light
Let this vehicle spin and take flight
Old friends
Shaking hands
Through walls of myth and holograms

If this is our last hope
Then we'll be ready
If this is our last chance
We must be right this time

Beautiful, you manouver so well in this darkness
So strong was your resolve
That your flame lit us both along the way
Split in two
To become whole
All arms reach out
Set to explode
All in time
Right now in time
All in time

If this is our last hope
Then we'll be ready
If this is our last chance
We must be right this time

Uncover my eyes
I will waste no more time
Open heart so wide
Swallowing the sky
Breathing in drawing light
Light this fire tonight
Guide me safely inside
My life is your life

Our descent denied...
Denied...
Denied...
Denied...

Crown jewel in the eyes

This ends tonight
This ends tonight
This ends tonight
This ends tonight

I refuse to die
Your spirit walks beside me
I refuse to die
Distortions die inside of me
I refuse to die
