Through this disfigured maze  
Prophets and killing ways  
Teaching us to integrate  
Here is what I have to say  
Boys holding revolvers  
"Can we kill some foreigners?"  
This is a silencer  
This is a silencer

Wasted generations  
Leaders leading us on  
Believing in the wrong  
Welcome to New Babylon  
Too many cultures gone  
Sing the Redemption Song  
Attacking markets with bombs  
Sing the Redemption Song

You'd better...  
Sing the Redemption Song
