The guns of a man named Jesus  
Built on man's holy ground  
When you gun turns on you  
The you'll know that there's no god around

We will watch you burn! Die!  
Damned! Crucified!  
X2

When your guns shoot your angel  
With many bullets left in her head  
Everyone will stare and cry  
This will be known as the perfect death

We will watch you burn! Die!  
Damned! Crucified!  
X2

If we were human  
Would Christ just let us die?  
If we were mortal  
Would there be a reason to be alive?

Once the bullet hits  
They will talk amongst themselves

And when the god arrives  
They will know that this is hell

We will watch you burn! Die!  
Damned! Crucified!  
X2

If we were human  
Would Christ just let us die?  
If we were mortal  
Would there be a reason to be alive?

And when the parade of immortality marches on  
They will know that they don't belong

We will watch you burn! Die!

Damned! Crucified!  
X2

If we were human  
Would Christ just let us die?  
If we were mortal  
Would there be a reason to be alive?
