### Angel Poem

Iâ've seen an angel  
She crawled out her grave  
Then just stared at me  
Without a word to say

Then that same angel  
Just took my broken hand  
Placed it on her face  
Her expression was sad

Forgiven angel  
Gazing stares into her eyes

Let go of my hand  
Then spoke with her mind

Â" Oh thou broken boy  
Do the world a favor  
Take the blood dagger  
And just fucking kill meÂ"

She was my angel  
She was my hater  
She was my lover  
She was my reaper  
Iâ've lost another angel
