Visit "[Broken World](#)" on [MotoLyrics.com](#)

I cry before my world breaks in two
Cuz there was me and there was you
And Jesus said that the world would fall apart
But I never thought it would break my heart

Sometimes I wonder if it's really worth it
Cuz I must leave a world so perfect

I'll never forget this; you are my one true love
And through all of these times, I feel like giving up
X2

I feel it would just hurt so damn bad
To say good bye and lose what I had
So I won't be letting to of your hand

Cuz you're the only reason I still stand

I'll never forget this; you are my one true love
And through all of these times, I feel like giving up
X2

Sometimes I wonder if it's really worth it
Cuz I must leave a world so perfect

I'll never forget this; you are my one true love
And through all of these times, I feel like giving up
X2

I just will not let go; you're still my one true love
And I don't think that I'll be giving up
