Visit "[Drain](#)" on [MotoLyrics.com](#)

Sit all alone
Without a thought in my head
My only wish
Is a wish upon my death

Blades surround me
Tempting the blood in my wrists
Bleeding slowly
About to receive my wish

Tears flow like blood
Start to feel my veins run dry
Pretty crimson
Slowly pours out as I cry

Wishes come true

And the pain of truth is real
All in eyes gray
Hoping it'll never heal

My tears will end
When I wish the blood away
And my laughter
Is the lie that helps me drain

And my last wish
Never been so real to me
It's so close now
All I have to do is bleed
