"Empty And Worthless"

I'd shoot myself in the head
Make myself one with the dead
If I ever had to lose you
Cuz without you I'm not alive
It's not worth it to go on if I can't see you

I am empty without your smile
I am worthless without you here

When the world ends, we'll be together again
When the world dies, you won't have to cry
(2x)

I'd be another one of the disease
Watch myself bleed
If I ever lost you
Cuz without your pretty eyes to make me happy

I'd be nothing at all

I am empty without your smile
I am worthless without you here

When the world ends, we'll be together again
When the world dies, you won't have to cry
(2x)

I want to see the world through your eyes
See how you feel inside, just this one...last...time!

When the world ends, we'll be together again
When the world dies, you won't have to cry
(4x)

I'll be there with you(3x)
