Marky got with Sharon,
Sharon got Sharee,
she was sharing Sharon's outlook on the topic of
disease,
Mikey had a facial scar,
and Bobby was a racist,
they were all in love with dieing,
they were doing it in Texas,
Tommy played piano like a kid out in the rain,
Then he lost his leg in Dallas he was dancing with the
train...
they were all in love with dieing,
they were drinking from a fountain,
that was pouring like an avalanche coming down the
mountain.

I dont mind the sun sometimes the images it shows,
I can taste you on my lips and smell you in my clothes.
Cinnamon and sugary and softly spoken lies,
You never know just how to look through other peoples
eyes

some will die in hot persuit in fiery auto crashes,
some will die in hot persuits while sifting through my
ashes,
some will fall in love with life and drink it from a
fountain
that is pouring like an avalanche coming down the
mountain.

I dont mind the sun sometimes the images it shows,
I can taste you on my lips and smell you in my clothes.
Cinnamon and sugary and softly spoken lies,
You never know just how you look through other
peoples eyes

Another mikey took a knife while argueing in traffic,
flipper died of natural death, he caught a nasty virus.
Then there was an ever present football player-rapist,
they were all in love with dying they were doing it in
Texas.
Pauly caught a bullet but it only hit his leg,

Well it should've been a better shot and got him in the
head.
there were all in love with dying
they were drinkin from a fountain
that was pouring like an avalanche comin down the
mountain.
