I, calypso

Yay! Yay! Yaaaay!  
Yay! Yay! Yaaaay!

I shot the bar-b-q man  
I shot the bar-b-q  
They shot the Pope  
They shot his ass  
He's holdin' out  
That where it's at

Yay! Yay! Yaaaay!  
Yay! Yay! Yaaaay!

I went behind my van last night (?)  
I woke up sad (?)  
They shot the Pope  
They shot the Pope's ass  
They shot the Pope and I feel good.

Yay! Yay! Yaaaay!  
Yay! Yay! Yaaaay!

I, calypso  
I feel you  
And I wonder why  
You exist  
And I try to cry  
I, calypso  
again and again  
I, calypso  
I got you under my bin, that's why  
I, calypso  
I, calypso  
I, calypso  
I, calypso
