I was walkin' down around Venice way  
Los Angeles  
Oh big California  
A man came up to me  
About 40, gay  
I say  
"Go away...OK...No way...AGGGHHHHHHHGH"  
BUTTHOLE SURF!! etc.  
I was ridin' wave  
around Malibu beach  
A guy came up to me  
He was lookin' like a leech  
He said "Hey, Sonny boy, can I eat you peach?"  
I say "Motherfucker...ifyoureach..  
I don't know what I'm goin' to do"  
BUTTHOLE SURF!! etc.

I was ridin' my cruiser in West Hollywood  
A girl came up to me and she was lookin' mighty  
good..  
I was eating quaaludes like butthole surfers should  
She left me there where I stood  
BUTTHOLE SURF!! etc.

HEY BUTT  
WHAT THE FUCK  
WE ALL LIKE YOU  
'CAUSE YOU'RE A SLUT
