Cherub
Cherub the angel
Roll back the hands of time

Cherub
Enter the angel

aaaaaaahhhh!

You walk alone now
You're never mind
The walks you've taken
have left behind
All people sideways
They look at you
may god forsake me
cause I do to

I see bodies
Maybe, maybe someone is alive
Naked we smile

Hoo-hahahahahahahah, a-hahahahahohoho

Naked

Ha-ha

ahhhh

You're right beside me
you gaze a view
your body's vacant
they crawl right through

those bodies falling
it's in the air
we're mixed so close now
but I don't care

ha ha ha
walk upon me

your body lead
you try to escape you
it's in your head
I'd better go back
I'm not over there

You walk beside me
you gaze at me
you're homeless now
or that times three

amazon
you gaze along
I'll make you talk you
there is no bong

your mind has cut you
you're bleeding now
your plans escaped
just like a bow

they walk right past you
they stop and stare
your body's lying
all over there

ha-he-he-he-he

feh
