I could have a real good time if I had a gun  
I know, well I know. The things I do and say  
And if I did not have no gun well I know, I know  
I've got a knife.  
Well, Gary Floyd and all his pals are gonna' come on  
down  
To the roundaround. They're gonna' shoot all day.  
Saw nature by the swimming pool  
In a two-piece and I lost my cool  
Well I'm cool-the things I do and say  
The color brown is coming down  
I feel my head go round and round and round (etc.)  
Well, Gary Floyd and all his pals are gonna' come on  
down  
To the roundaround. They're gonna' shoot all day.
