I am not a priss, my brothers wife
There was a time when i thought that the longer
am I a slave to my mind oh. ahhhhhh
My brothers wife.
I know it's not right what Im thinking deny me.
My brothers wife
I will always stay. My brother wife
I know. shh.
My brothers wife
I share the secret requests of the clown
there is no denying me.
I must have my brothers wifes breasts.
total babe. whats wrong?
My brothers wife and her car, her ass
I am in love with my brothers wife and her breasts
sadly i turn to the left and i see,
my brothers wifes breasts
I really must be off
Oh it hurts to laugh
my brothers wife, please help
no, no, no, not my brothers wifes breasts
oh god.
