"Sea Ferring" -- the Butthole Surfers

His life as strange as it seems
It lies on it's side and screams
And nothing is quite what it
Dreams when it walks
PLays when it talks!

Dah da do
da da de dum
da da de dum
da da de dum
da da de dum
doo aaaaaaaaahhhhhh

All I want was a dream
You are luckiy if you escape with a scream
Where nothing is quite what it
seems when she walks
plays when she talks
and the earth screams like madmen
--MORE-- they laugh when she talks
strange that you thought
that the earth fell like the pouring rain
when its hot like it or not
you'll dream again again again
aaaaaaahhhhhhhh

brains when she talks
a cane when she walks
and the earth screams like a madman
in love when she talks
I know I have thoughts
and they all fall to pieces
when I speak I get cold
and I'm getting old
and we all scream again! again! again!
aaaaaaaahhhhhhhhhh

like a tick farm, like a sea horse, like a graveyard like a
moron, like
a girlfriend like a tissue like a cardboard like a brick

wall like a dream,
waiting to be

like a ball park like a hiccup like a blood clot like a brain
stroke like
a long drip like a ??? like a dream , that I can see

like a house wife like a rapist like a tea cup like a bed
pan like a cold
sore like an old friend, nothing seems so removed
but love is hard when you're true
and twice is far from the
Earth when it walks
and I know I can talk
but the words hover like a thousand vericose flies that
know me
and I know I can see
but my eyes fill with pride and stupidity
this I know and I'm getting old
so I scream again again again
aaaaaaaaa hhhhhhhhhhhhh
