Whaaaah!

Wiped-out wasted Wichita
Watch out where I am
Last time I's in Wichita
I did not give a damn

Wiped-out wasted Wichita
Cathedral from withhold
Last time I'm in Wichita
My God, I did not know

Wiped-out wasted Wichita
My backside is a scab
Last time I'm in Wichita
The best I ever had

Wiped-out indians on my mind
Were found in ????
Last time I's in Wichita
My God, I ??????????

Whaaaah!

Wiped indians on my mind
These deeds I cannot say
Last time I got wasted there
I had to walk away

?????????
?????????
Last time I got crumbled up
The crow he lost his crow

Wiped out wasted Wichita
Cathedrals on my mind
Last time I got wasted there
My poor dog just went blind
