i got a call  
a telephone call today  
somebody's offerin' a job  
thousand miles a way  
and i wanna take it  
it's the opportunity of a life time  
but i need a second opinion  
an opinion other than mine  
so i... i'm turning to you  
because you always seem to know what to do  
when times like these arise  
i call on my only true friend in the world  
my girl

Chorus:

so I  
I want to know  
should i really really go (really go)  
and if so, are you coming with me  
I, I've got to know  
if you really want me to go  
and if so, come with me  
da doo doo do do

I never wanted anything as much as I want you with me  
you were the one who said to follow my dreams  
of having a house a car a view of the star(?)  
and a beautiful life?  
so i need someone i can grow with  
i need some love in my life

so i im turning to you  
bec you always seem to know what to do  
when times like this arise  
i call on the only real love of my life  
you are my life...

I want to know  
should i really really go  
and if so, are you coming with me  
I, Ive got to know

if you really want me to go (will you go)  
and if so come with me (come with me)  
da doo doo do do  
i need you to...  
(come with me)  
oh  
(come with me)  
come with me baby  
(come with me)  
ooh huh....

Hmmm  
(come with me)  
come with me  
(come with me)  
hmmm  
(come with me)  
precious yah....  
(come with me)
