[James]

I've been watching you all night long
Cause I wanna get my groove on
Baby, cause you just look so damn fine

[Cyrus]

Ooh, my friends don't think you'll talk to me
(But I'm) confident in my game you'll see
Take my hand and come with me

[Chorus]

Do You Wanna Dance
Do You Wanna Dance
Take me I'm your man
You and I romance
On the dance floor
Baby take my hand
Tonight I'll be your man
But don't misunderstand
It's only just a dance
And only for one night

[James]

Bring your body close to me
(I wanna show you what I wanna do)
I'm gonna make you sweat
Make you real (Sigh)
I'll make all your dreams come true

[Cyrus]

DON'T EVEN TRY TO TELL ME
THAT YOU DONT WANNA DANCE WITH ME
I COULD SEE IT IN YOUR EYES
BABY YOU DONT NEED TO LIE
DO YOU WANNA DANCE WITH ME..

[Chorus]

Do You Wanna Dance
Do You Wanna Dance
Take me I'm your man
You and I romance

On the dance floor
Baby take my hand
Tonight I'll be your man
But don't misunderstand
It's only just a dance
And only for one night

[Eric]
One night, just you and I
Don't be shy
One night, just you and I
Don't be shy

Throw your hands in the air up high
There's a party going on, on the dance floor
If your down put your hands up in the sky
There's a party going on, on the dance floor

[Cyrus, James]
Girl come close to me (come close to me)
So that we can be as one (we can be as one)
And girl I can't deny (I can't deny, no, no, no, no)
I'm that type of guy
I can't lie (it's just for one night)

[Chorus]
Do You Wanna Dance
Do You Wanna Dance
Take me I'm your man
You and I romance
On the dance floor
Baby take my hand
Tonight I'll be your man
But don't misunderstand
It's only just a dance
And only for one night
