Baby Come on in unplug the phone
No need for stressing cause my mama aint at home
We could do it till the break of break of dawn, lets get it
on
until the morning...

So happy that I have you in my life
When you're not here I always got you on my mind
I've been waiting for this day, Girl I gotta say, to you
Cause every little thing you do...

Chorus:

Every Little thing you do do
Got me falling so in love, in love with you
Everynight you know you got me hooked on you
and girl you know it's true, you got me hooked on you
you
Every Little thing you do do
Got me falling so in love, in love with you
Everynight you know you got me hooked on you
and girl you know it's true, you got me hooked on you
you

The way you move, the sexy things you do
the way you kiss, got me sprung on you,
I am your genie I'll make all your dreams come true,
here's what you do, Baby call me

You'll never ever have to worry bout a thang
and when you need me baby just call my name
Satisfaction Gauranteed, Girl youre all Ineed
Your love is so special to me

What we share is so strong

Girl I'll never do you wrong
I'll be your lover and your friend
and on that baby you can depend
Girl i'll make it hot, ooh I'll make it hot
once I start I just cant stop, I can't stop.

Chorus:

Every Little thing you do do
Got me falling so in love, in love with you
Everynight you know you got me hooked on you
and girl you know it's true, you got me hooked on you
you

Every Little thing you do do
Got me falling so in love, in love with you
Everynight you know you got me hooked on you
and girl you know it's true, you got me hooked on you
you

I love you so, and I'll never let you go
You are my pride, because I love you and I'm down for
life...

Chorus:

Every Little thing you do do
Got me falling so in love, in love with you
Everynight you know you got me hooked on you
and girl you know it's true, you got me hooked on you
you

repeat Chorus...
