Last night,  
I said some things I didn't mean to say.  
Some how I let my pride get in the way,  
and I'm so sorry.  
(sorry for hurting you girl)  
I know I was wrong,  
but you just give me one chance,  
I'll make it up to you.  
Do anything you ask me to...  
chorus  
'Cause I don't wanna go on  
without you in my life.  
I'll make any sacrifice for you,  
do anything you ask me to.  
No I don't wanna go on  
without you in my life.  
I'll make any sacrifice for you,  
do anything you ask me to.  
(do anything you ask me to)  
Last night,  
I laid awake, I couldn't stop thinking of you.  
(thinking of you)  
I must of called you a thousand times,  
but I couldn't get through,  
so much was going throughout my mind.  
(did I really lose you this time?)  
I just want you to come back home,  
'cause since you been gone,  
I haven't been the same.  
I would do anything...  
chorus  
'Cause I don't wanna go on  
without you in my life.  
I would do anything for you,  
(do anything you ask me to)  
No I don't wanna go on  
without you in my life.  
I'll make any sacrifice for you,  
do anything you ask me to.  
(do anything you ask me to)  
bridge  
I realize how much I really need you

(in my life)  
Cause without you here  
my life is incomplete.  
Lady you are my destiny  
(Oh ho ohhhh)

chorus

'Cause I don't wanna go on  
without you in my life.  
I'll make any sacrifice for you,  
do anything you ask me to.  
No I don't wanna go on  
without you in my life.  
I'll make any sacrifice for you,  
do anything you ask me to.  
(do anything you ask me to)

repeat chorus...
