every night i think of you , your alwayz on mah mind
since the day we meet until the day i die
ill be ryte here by your side
i cant live a day witout ya, do a thang witout you
gyrl you mean the world to me
i cant believe witout , ya everything about ya

1-something bout my gyrl, when im wit her shes mah
world
something bout her,
dats got me sayin yea yea yea yea yea yea yea
something bout her smile , she neva ever neva lets me
down
i love you (i love you)

unlike everything , im lik a diamond ring
sometimes i cant believe my eyes
you look so good to me
all that a gyrl should be,
when somethings wrong
you make it right, cant live a day without you
do a thang witout you
gyrl you mean the world to me
cant even sleep witout you
becuz i love you

1-something bout my gyrl, when im wit her shes mah
world
something bout her,
dats got me sayin yea yea yea yea yea yea yea
something bout her smile , she neva ever neva lets me
down
i love you (i love you)

gyrl id give you
everything in the world

all my loves for you will be true
but you walked out that door
i promised ill be lovin you forever

repeat 1 then juss me and my gyrlfriend
(til end)
