E-40 Rap Intro

Verse 1: (Eric)

Every night and day, I've been waiting for you to call...
Always ask my friends if I really need you at all...at all...
(I can call you up tell me what is up)
What's your game...
(Players all around, tell me if your down)
With me and we could be. So happy...

Chorus:

You can't see me, I'm an undercover Mack
Waiting for my girl to call
I'm gonna break you off...
You can't see me... You can't see what I can see,
(they say love is blind so you can't see me)

Verse 2: (Eric)

You're always on the phone telling me your alone,
I only wanna see if I
should leave you alone
(should leave you alone)
(I can call you up)
What's your name and your number,
(players all around tell me if your down)
With me...

Chorus:

You can't see me, I'm an undercover Mack
Waiting for my girl to call
I'm gonna break you off..
You can't see me...You can't see what I can see
You can't see what I can see
