I've got this planet in my hands
You know I'll waste it if I can
Cmon lets give it a twist
And if it all turns to shit then
Oh wait, lets try that again
My lifes too short to have a plan
Here let me help you understand
First take this drink and this pill
Relax your mind and be still
Lets find out who I am
Cuz I...

[CHORUS]

I'm just American Trash
Stupid American Trash
I'm just American Trash
Stupid American trash

[Verse 2]

I've got this planet in my hands
I'll try to save it if I can
I'm satisfied with myself
Don't care for anyone else
I'm so united when I stand
I get my facts from the Tv
Believe in everything I read
It's such an ignorant bliss
When the whole fucking world wants to be like me
Cuz I...

[Chorus]

[Verse 3]

And everyones shutting down
The people are so waorn
Wake up the dream is over
Everyones shutting down
The people are so worn out
Wake up the dream is over
Wake up the dream is over
Cuz I...
Wake up...

[Chorus]

I'm Just American Trash

(Yeah)

(Ok)

(Yeah)

(Ok)

(Yeah)

(Ok)

(Yeah)
